

C&G Advanced Diploma in Food & Beverage Services

Objective:

The City & Guilds (UK) **Advanced Diploma in Food & Beverage Service** program seeks to prepare students for a career in the dynamic food and beverage industry. C&G's International Vocational Qualifications (IVQ) are well-structured programs with strong quality assurance that are well-tested and internationally recognized by many international organizations. The Diploma program is appropriate for anyone seeking a junior supervisory or captain position while the advanced diploma program is appropriate for anyone seeking a first-level management position within an organization in the industry.

Students will acquire practical experiences throughout the courses, picking up skills which are useful in the industry. Important and critical industry skills will be taught to students to ensure they are well-equipped when they enter the industry.
